CY Consultancy Centre

01 / OUR COMPANY

Student visa and work permit support

Company Overview

CY Consultancy Centre is a Dhaka-based consultancy supporting students in Bangladesh and South Asia with international education applications. We assist with institution selection, admissions, student visas, scholarship guidance and pre-departure preparation. Alongside education services, we provide work permit application support for Portugal, Malta and Romania.

Our student visa services cover Greece, Malta, Cyprus, the Netherlands, Sweden, Finland, Germany and Canada. We also provide work permit processing support for Portugal, Malta and Romania, including construction worker opportunities in Romania.

Our Mission

To help students make informed career choices through personalised counselling, strong relationships with applicants and institutions, and organised application support. Our approach values suitable applicants and informed decisions.

Our Vision

To become a leading education consultancy service provider in South Asia, helping learners realise their potential through suitable international education opportunities.

Our Core Services

Student counselling Discussing academic background, study goals, preferred destinations and available budget to identify suitable study options.

Course and institution guidance Supporting students as they compare courses, entry requirements, intakes and institution information.

Admission application support Assisting with application forms, supporting documents, offer letter follow-up and communication about application progress.

Document preparation Helping students organise academic records, identity documents, financial evidence and destination-specific supporting paperwork.

02 / Services and Support

Student Application and Visa Support

Visa file organisation Helping students assemble the applicable checklist and prepare their application documents for submission.

Appointment and submission guidance Providing guidance on appointment preparation, submission arrangements and file follow-up where applicable.

Interview preparation Helping students explain their study plans and become familiar with the interview process.

Translation and supporting paperwork Coordinating English translation, notarisation and related document services as required.

IELTS and PTE guidance Guidance on English proficiency tests and admission requirements.

Scholarship and pre-departure guidance Support with scholarship searches, travel preparation, accommodation advice and orientation.

Work Permit Support

We assist applicants with work permit processing for Portugal, Malta and Romania, including construction worker opportunities in Romania. Our support covers document checklists, application paperwork, coordination during processing and work visa file preparation. Job duties, pay, accommodation, meals, fees and refund terms are explained for each specific offer.

03 / Process and Contact

1 Initial consultation Review the applicant's background, objectives and preferred destination.

2 Requirements and planning Discuss study or work permit options and provide a relevant document checklist.

3 Application preparation Organise documents and assist with the relevant application paperwork.

4 Visa preparation and follow-up Support visa file preparation and communicate application updates.

5 Pre departure guidance Discuss travel preparation and the next steps after the required approvals.

Our Service Approach

We aim to provide clear explanations, careful handling of applicant documents and regular file updates. Applicants are encouraged to understand study or job requirements, costs and responsibilities before proceeding. Admission, work permit and visa decisions remain with the relevant institutions and authorities.

Institutional Collaboration

We work with education institutions and recruitment organisations to support suitable student applications. Our website describes partner connections in Cyprus and associates in Greece. We welcome discussions with institutions about recruitment and application coordination in Bangladesh.
